tion of limited narcotic content. Tonnage tax, entry of vessels from foreign ports		

¹ See tables referred to in last column for historical data.

² Draw-back of \$9.50 per proof gallon is provided for distilled spirits used for nonbeverage purposes leaving a net tax of \$1 per proof gallon.

3 Large cigarettes measuring over 61/2 inches long, counting each 23/4 inches as 1 cigarette, taxed as small cigarettes.

4 House trailers exempt.

5 Rebuilt or reconditioned parts and accessories taxed only on that portion of the price which exceeds the value of a like part traded in. Credit or refund of the tax is granted where parts or accessories are used or resold for the repair or replacement of farm equipment, except in the case of spark plugs, storage batteries,

leaf springs, coils, timers, and tire chains.

6 Tires not more than 20 inches in diameter, and not more than 134 inches in cross section is such tires are of all-rubber construction without fabric or metal reinforcement, or tires of extruded tiring with internal

wire fastening agent, exempt.

Those which were subject to the 20 percent retail jewelry tax prior to Revenue Act of 1951 will continue to be taxed at that rate The Revenue Act of 1951 added certain household-type appliances to the tax base and exempted certain

non-household-type appliances previously taxed. Heating pade exempt.

Commercial and industrial types exempt. Tax applies only to film, cameras, and lenses.

10 Communication, detection or navigation receivers of the type used in commercial, military, or marine installations are exempt if sold to the U.S. Government.

The tax does not apply to refrigeration components sold to wholesalers or retailers where the components

are held for resale to manufacturers of refrigeration or freezing equipment. ² Tax base is changed to remove specific types of articles used predominantly for school sports and by

children. Fishing equipment subject to tax at 10 percent of manufacturers' sales price.

13 Silver-plated flatware, watches designed for the blind, precious metals used in essential parts for smokers' pipes, and buttons, insignia, etc., used on uniforms of the Armed Forces exempt. Watches retailing for Watches retailing for not more than \$55 and alarm clocks retailing at not more than \$5 taxed at 10 percent.

Baby powders, oils, and lottons, barber and beauty shop supplies to be used on premises, and ministure samples of toilet preparations sold to house-to-house salesmen for demonstration purposes, exempt.

Admissions accruing to specified educational, religious, and charitable institutions, and nonprofit

organizations, and all free admissions exempt. In the case of reduced-rate admissions, tax applies to actual amount paid. 16 Admissions to ballrooms and dance balls where serving of food, etc., is incidental to furnishing music

and dancing privileges, exempt.

17 Calls from combat zones initiated by members of the Armed Forces exempt.

"Cans from compar zones intraced by members of the Armed Forces eampt."

18 Excise Tax Act of 1947 exempted, in general, transportation outside northern portion of Western Hemisphere. Revenue Act of 1951 exempted fishing trips and in the case of vessels making voyages between the United States and a port outside the northern portion of the Western Hemisphere, an intermediate stop in a part in the United States, Canada, or Mexico shall not give rise to tax liability if the ship is not authorized both to discharge and take on passengers at such intermediate stops.

19 Charges made for the movement of excavated material within the boundaries of a construction project

or to an adjacent area, exempt.

Table IV.—Excise taxes in effect prior to World War II which were not increased during or subsequent to the war-Continued

(DIM) and with the	In effect Dec. 31, 1939						
Title and unit of tax	Year enacted	Rates					
EXCISE AND MISCELLANEOUS TAXES—continued Sugar taxes: Excise tax on manufacture of sugar in the United States: Testing 92 sugar degrees and for each additional sugar degree, per pound. Testing less than 92 sugar degrees, per pound of total sugars therein. Import compensating tax: All manufactured sugar testing 92 sugar degrees and for each additional sugar degree, per pound. All manufactured sugar testing less than 92 sugar degrees, per pound of total sugars therein. All articles composed in chief value of manufactured sugar, per pound of total sugars therein.	1937	0.465 cent and 0.00875 cent per pound additional and fraction of a degree in proportion. 0.5144 cent. 0.465 cent and 0.00875 cent per pound additional, and fraction of a degree in proportion. 0.5144 cent. Do.					

¹ Rate reduced to 10 cents by Revenue Act of 1951.

¹ Rate reduced to 10 cents by Revenue Act of 1951.

² Outstanding circulation exempt from taxation (1) whenever such circulation of any bank, association, corporation, company or person is reduced to not over 5 percent of the chartered or declared capital existing at the time the same was issued; (2) whenever any bank which has ceased to issue notes for circulation deposits in the Treasury of the United States, in lawful money, the amount of its outstanding circulation, to be redeemed at par and (3) whenever any bank is insolvent or bankrupt.

³ Firearms are defined to include shotguns and rifles with barrels of less than 18 inches in length, other

guns capable of being concealed (except pistols and revolvers), machine guns, and mufflers and silencers. The law provides that: In the case of manufacturers and dealers in guns with 2 attached barrels from which only a single discharge can be made from either barrel without manual reloading, the tax shall be \$25 per year for manufacturers and \$1 per year for dealers; and the transfer tax on such guns, the barrels of which are 12 inches or more in length, shall be at the rate of \$1.

⁴ Applies only on imports if imports from a country during the preceding calendar year exceeded exports

⁴ Applies only on imports it imports from a country during the preceding constant year.

⁵ Tax made permanent by eliminating expiration date of July 1, 1945 (Revenue Act, 1941).

⁶ The rate was reduced to \$1.50 per M feet under the trade agreement with Canada effective Jan. 1, 1936. This rate applies also to imports of lumber from other countries having trade agreements with the United States. Lumber imported from Cuba is taxed at the rate of \$1.20 per M feet in accordance with treaty provisions granting products from Cuba a rate 20 percent below that granted products from any other country having a trade agreement with the United States.

⁷ Tax does not apply to any article, merchandise, or combination if any coconut oil or derivative thereof

7 Tax does not apply to any article, merchandise, or combination if any coconut oil or derivative thereof produced in Guam or American Samoa is contained therein.

No whale oil (except sperm oil), fish oil, or marine animal oil of any kind may enter tax-free unless such oil was produced on vessels of the United States or in the United States or its possessions, from whale, fish, or marine animals or parts thereof taken and captured by vessels of the United States.
 Tax collected on processing of occumut oil from the Philippines paid into the Philippine treasury.
 1941

act provided that taxes collected with respect to exocut oil wholly of the production of Guam or American Samoa or produced from materials wholly of the growth or production of Guam or American Samoa, held as separate funds and paid to the treasury of Guam or American Samoa.

10 Additional tax of 2 cents per pound if cocount oil wholly of the production of Guam or American Samoa.

10 Additional tax of 2 cents per pound if cocount oil is not from the Philippines or other possessions of the

United States

II Exemption of palm oil used in the manufacture of iron or steel products was provided for by 1942 act.

12 All oleomargarine taxes except imported repealed by Public Law 459, 81st Cong., 2d sess. Effective July 1, 1950. 13 Certain vessels are specifically exempt from the tax (sec. 46, U. S. C., secs. 122-126, 130).
